# KOZO Notebook A5 Premium Soft Coral

## Product Images

## Short Description

---

KOZO Premium Notebook is definitely one of the best looking notebooks or notepads on the market. The strong cover in linen structure with subtle details in bronze and a cocky large top spiral, also that one in bronze, makes it perfect to write in even if you have it in your lap or even stand up and take notes without support. And of course it is a delicious interior detail on the desk. It gives a luxurious feeling to write on cream colored 100 grams paper. All pages in the notebook have a date field at the top right, so nice and practical. Feel free to match with other KOZO products in the same color shade.
